*Librarians*

**MISS RACHEL HOWARD**  
The operation of the library demands various types of skilled work which Miss Howard ably performs. Her work involves much more than the mere dispensing of books.

**MISS MARY ELLEN HOBSON**  
Miss Hobson gladly devotes much of her time to helping students locate materials and resources, although her many other duties consume a large part of her day.

*Guidance Counselors*

**MISS JANIS MEGGS and MISS RUTH KISER**  
Our guidance counselors help us in choosing a field of work and in providing materials for making many important decisions that will affect our future. Their help and direction will reserve for them permanent places in our memories of high school life.
